

Introducing our limited edition eco bag to commemorate our 100th store

The Pet Lovers Foundation was established by Pet Lovers Centre (PLC) as a non-profit organisation with a mission to serve Pets, People and our Planet.

PLC has come out with this limited edition eco-bag that's not only elegant and functional, it is also our way of commemorating another milestone in our company history — that of opening our 100th store!

In addition, PLC donates a portion of the proceeds of the sale of this item to the Pet Lovers Foundation. What this means is each time you purchase an eco-bag, you help save a stray, lost or abandoned animal; you help the people and agencies create better shelters for them; and you help reduce non-biodegradable waste. This simple cooperation is a win-win for all. Hurry and make a purchase at your nearest Pet Lovers Centre or The Pet Safari store. While stock lasts!

Our mission is formidable, but when we work together, we can move mountains.
